

Social Skills Summer Day Program
fun for kids & much more for parents

2018 SUMMER CAMP HEALTH DIRECTOR POSITION

Seeking 1 full-time RN, LPN or EMT to join our treatment team at Big Apple Day Program to work with children ages 5-12 with social skills difficulties.

The position is ideal for someone interested in working with special needs children (e.g., ADHD, ASD, Anxiety, Learning Disabilities).

Responsibilities would include administering medication and providing routine medical care for minor injuries. Provider is also expected to participate in all activities and support other BADP staff as needed.

The applicant would need to attend our staff training the week before camp starts for one day to meet the staff, purchase supplies and learn about the schedule, campers and parents. The exact day/time is flexible. This time would be paid.

Full time position: Mon, July 2nd – Fri, Aug 10th, Mon-Thurs, 9am-4:45pm, Friday 9am-3:30pm.

Compensation is hourly and based on experience. No other benefits.

If interested, please complete our online application and follow the directions below.

Email as attachments your CV, 2 letters of recommendation, and cover-letter which explains your availability, experience and desired hourly wage.

Must provide recent (within last 6 months) physical or medical clearance from a licensed physician prior to training start date.

Must be registered or licensed in NY with own malpractice insurance, and must be Advanced First Aid, CPR Pro and AED trained by an organization listed here:
